

# ANGELICA HERNANDEZ

UI/UX DESIGNER | FULL STACK DEVELOPER

## OBJECTIVE

I am a passionate Full Stack Web Developer with a vast array of knowledge in many different front end and back end languages, responsive frameworks, databases, and best code practices. I am dedicated and eager to continue to learn, improve and update my skill set and problem-solving techniques. I look forward to continuously gaining knowledge from my peers and work collaboratively with others while being able to contribute to the technology industry.
